## THE HISTORY

Joseph and Marjorie Altier originally founded Altier Jewelers in 1960, and we were the first local jewelry store in Boca Raton. This 50-year history has afforded us the opportunity to match people with pieces that embody their definitions of elegance, beauty, and grace; we'd love to help you find your perfect high-end jewelry, too.

Today, Altier Jewelers is owned and operated by Cutler Altier, a third-generation grandson of the original founders. With a full staff of jewelry and watch experts, GIA Graduate Gemologists and Master Jewelers and watchmakers, Altier Jewelers remains dedicated to upholding traditions rooted in quality, customer satisfaction, honesty, and integrity for generations to come. We're service focused, and just like we were almost 60 years ago, we are still a family owned and operated business.

In addition to a "service beyond the sale focus," however, we also provide on-site jewelry repair and watch service, custom jewelry design, and manufacturing of engagement rings and diamond jewels. With pieces to match nearly all budgets as well as on-site financing services, our inventory is vast and our ability to source unique items is second to none. When you are looking for a local jewelry store with Patek Philippe watches, designer earrings, diamond wedding bands, pendant jewelry, and more, you can't go wrong with Altier Jewelers.
